## April Newsletter

Volume 1, Issue 1, April 17, 2010

I can do all things through Christ who strengthens me. Philippians 4:13

Thank you for being a valued customer of DWT Solutions. I have decided to begin a monthly newsletter to my customers to keep them abreast of what's happening with me, and most importantly, with you. Read through the format and if you have any suggestions and/or ideas of what you would like to see, please send me an email.

I have many new ideas that I will be sharing via this newsletter, so check out each issue. If you would like to be removed from the distribution of the newsletter, send me an email. All newsletters will be available on my website.

As far as myself, I stay busy with my full-time job with the Army National Guard, as well as running DWT Solutions. Several in my office are getting ready to deploy, so we are going to be very busy for the next year trying to keep everything running smoothly.

My youngest daughter, Tiffany, is engaged and is getting married on September 4th of this year. Wow, time flies. She is marrying Marcus Mason of Brandon.

... as you're growing you must remember, that nothing lasts, except the grace of God, by which I stand, in Jesus.

I know that I would surely fall away, except for grace, by which I'm saved.

...Keith Green

### Customer Spotlight

This area will be used to feature the customer of the month. DWT Solutions customers will be selected randomly each month beginning in May to be featured. If you have a info you would like shared when your site is featured, email me, wesley@dwtsolutions.com

## Customer Corner

### Welcome

to our latest customer. The Jackson, MS Chapter of the Harley Owners Group has asked me to maintain their site. Please take a moment and show your support by stopping by their site at [www.jacksonmshog.com](http://www.jacksonmshog.com)

This area will be used for customer news and announcements. If you would like to offer a special, coupon, advertise or just update our community with information about you or your company/website, simply email the information to sales@dwtsolutions.com and after review, will be placed in the next edition of the newsletter.

### Benchmark Engineering and Surveying, LLC

Privately owned civil engineering and land surveying company, located at 101 Highpointe Ct, Suite B, Brandon, MS
